We are **the six partner schools from Estonia, Denmark, Portugal, Spain Romania and Turkey** doing an Erasmus+ project together on **the six 21<sup>st</sup> century learning skills**.

During **the two-year period**, we are going to carry out **three transnational learning camps**:

- **Portugal** (February 2016)
- **Romania** (October 2016)
- **Denmark** (April 2017)

Each camp will last **five days**.

Altogether, 36 students and 24 teachers will be taking part in the camp activities (**six students and four teachers** per partner school).

The school team members will also have to engage in several **local project activities** before and after they travel.

## Are YOU keen on transnational collaboration?

If yes, please write to us about:

- a) **who** you are,
- b) **what** attracts you to our project (your motivation),
- c) **why** you are suitable for our project team (your qualities, skills and experience),
- d) **how** you are going to contribute (which of the six topics are you interested in).

Please email your **letter of application** to Project Manager at [CLICK@tammegymnaasium.ee](mailto:CLICK@tammegymnaasium.ee) by **27 November 2015**.

**We look forward to welcoming you on board!**
